# Asia-Pacific Region
## Singapore

# Since 2007, we have provided dedicated capacity and local representation in the Asia-Pacific region, all with the security of the Chaucer Group and Lloyd's.

We are an authorised service company and able to accept business on the Lloyd's Asia Platform. Our office in Singapore is the regional hub for Chaucer's additional platform in China.

We work closely with international and local brokers to offer regional clients a lead capacity for a broad range of Specialty Reinsurance, Binders, Facultative and Direct Products.

# Direct and facultative

## Energy

Our Energy team provides lead capacity for offshore energy and offshore construction risks. This includes coverage for upstream energy property, operator's extra expense, business interruption, energy liabilities, offshore construction property and liabilities. In addition, we also offer capacity for on/offshore renewable energy operation and construction risks.

## Marine

We protect marine risks, including coverage for general cargo, storage, oil shipments, project cargo for infrastructure (includes DSU); specie, fine art, jewellers block; hull and machinery risks, including increased value, loss of hire, builder's risk and marine war; ports and terminals (marine and non-marine property, business interruption, legal and contractual liability and removal of wreck/ clean-up costs); freight forwarder cargo and liability.

## Political violence

We offer lead capacity in political violence, which includes sabotage and terrorism, terrorism liability, SRCC and malicious damage and event cancellation due to terrorism.

## Political risk and credit

Our coverage includes CEND, CCP, contract frustration and credit, including non-payment and non-performance by public and private obligors, exchange transfer, non-honouring of documentary letters of credit and the wrongful calling of on-demand bonds. We will also cover war on land and political violence in conjunction with the other perils written.

# Reinsurance

**Our primary product lines are shown below, however we always look to create innovative solutions to specialty coverages, just ask one of our underwriters.**

## Property

Catastrophe, risk and pro-rata property. We are able to consider retrocessional covers. We are a locally authorized quoting market and can consider non-traditional structures and covers.

## Marine

We have a diversified Asia Pacific portfolio to provide risk solutions and capacity for all aspects of shipping and marine industry: cargo, hull, builder's risk, P&I, upstream energy, war, retrocession and other associated classes.

## Casualty and specialty

Motor, EL, WCA, public, professional and financial lines, predominantly on an XoL basis. We are also able to accept specialty, legal, W&I, cyber, surety and miscellaneous classes. We have an appetite for non-traditional structures, including adverse frequency covers, loss sensitive covers and retrocessional protection. We can offer unlimited capacity on compulsory lines of business.

## Accident and health

Life and non-life cat, non-life per risk and retro, specialty health, workers bond and other miscellaneous classes. We are a strong local lead market.

## Agriculture

Crop, livestock, forestry and retro. We predominantly write on a proportional or stop loss basis. We have our own innovative crop modelling resource and our center of excellence is based in Singapore.

# About Chaucer

**Chaucer are a leading specialty (re)insurance group working with brokers, coverholders and clients to protect and support business activities around the world.**

Through Lloyd's, Chaucer Syndicates 1084 and 1176 offer clients strong financial security. Every policy has the support of an A (excellent) rating from A.M. Best, an A+ (strong) from Standard & Poor's, and an AA- (very strong) rating from Fitch.

We are defined by an enterprising, bespoke approach to (re)insurance, enabled by the individual character, experience and imagination of our expert teams. Our single group business model, strategy, and approach to risk management are supported by our collegiate culture, enabling us to deploy our skills and expertise to underwrite, distribute and support products through our global network.

We think and act in an impactful way that supports the transition to sustainability for us and our partners. Environment, social and governance (ESG) ethics are actively embedded into everything we do.

Chaucer Insurance Company has an A (excellent) rating from A.M. Best, and A (strong) from Standard and Poor's. Chaucer is a member of the China Re Group, backed by their financial and operational resources.

China Re is one of the world's largest reinsurance companies, rated A (excellent) by AM Best and A (strong) by S&P Global. As of 1 January 2025, the Group's gross premium income and total assets amounted to $25 billion and $70 billion, respectively.
